AL-CO ALUMINYUM is one of the main aluminium cookware manufacturers in Turkey. Needed raw aluminum discs are produced by our sister company Trakya Sanayi A.S., the biggest pure aluminum discs manufacturer in Turkey.

Started producing nonstick cookwares in 1999, launched the brand Papilla in 2005.

Exports to more than 85 countries worldwide. Works with many worldwide known retailers.

Production Capacity: approx. 2,000,000 pieces per month.

Three processes for coating: Roller, Curtain and Spray Methods.

Wide mould range provides flexibility in production. We produce pressed and forged aluminium items from promotional to premium range.

Production with automated and robotic systems.

Customer oriented service and high quality products with competitive prices.

High quality raw materials and accessories from premium suppliers.

Private label and white label production available.

Quality Certificates: ISO 9001:2015 (Quality Management System),
ISO 14001:2015 (Environmental Management System), OHSAS 18001:2007

Social and ethic compliance: BSCI, SEDEX and ICS audited.

Some of our partners conduct on a regular basis both technical audits and social and ethic compliance audits either directly or through accredited inspection bodies.

*With love to the
masters in the kitchen...*
